

Home project:

Months of the year and Seasons Calendar

Name: _____

Materials:

- Computer, tablet or cellphone
- Internet
- 2 pieces of paper (Letter size)
- Pencils, pens, crayons
- Ruler
- Scissors
- Glue stick
- Pictures from magazines or drawings

Instructions:

1. Watch the videos about “Months of the year and Seasons” in the following links:

Months of the year: shorturl.at/eltRW

Seasons: shorturl.at/mMUW3

2. Pick one of the pieces of paper and fold it in 4 parts.

3. Fold the piece of paper as in the pictures.

4. Cut the piece of paper as in the picture.

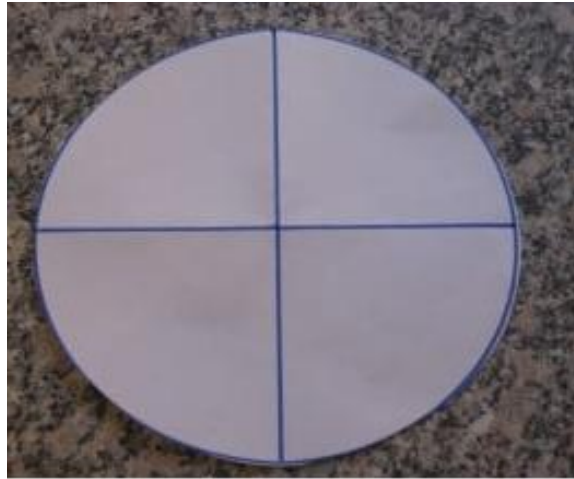

5. Open the sheet and count 12 segments.

6. Draw lines along each segment.

7. In the other piece of paper, draw a circle and cut it out.

8. Name each season and color them as in the picture.

9. Stick it in the middle of the month calendar.

Spring: September to November

Summer: December to February

Autumn: March to May

Winter: June to August

10. Write the names of the months of the year around the edge of the calendar and stick pictures from magazines or drawings made by yourself related to each month.

11. Now, let's play! Ask and answer questions with your family.

Examples:
