

Estimados papas,

Enviamos esta ficha de trabajo de Solar system para que sus hijos e hijas hagan su propio Solar system. Les pedimos puedan entusiasmar a sus niños y niñas con el tema. Para ayudarlos en esto, les enviamos unos links que pueden usar para motivarlos más y ayudarlos en la adquisición de vocabulario del sistema solar. Recuerden que si tienen alguna duda, nos pueden escribir a nuestros emails.

Cariños

Daniela y Paula.
